Dear Old Oaks Townhome Association Unit Owner,

Effective September 22, 2016, Farmers Insurance Group of Companies, John Kisbac Agency, is the insurer for the Old Oaks Townhome Association. We look forward to being of service to you.

The Associations policy covers the buildings and common area liabilities. As a side note, the Associations policy does not cover individual unit owners Contents or Personal Liability. You should be carrying an individual HO-6 policy for your personal Contents and Liability.

As the new insurance carrier, we will be notifying each of your mortgage holders of a change of insurer and be providing them a Certificate of Insurance. We have mailed a letter to each unit owner asking for this information. If for some reason you have not received our letter, the following is a list of information needed to notify your mortgage holder that you are properly insured. Please answer all questions and mail, Email or FAX it back to the above FAX number, as soon as possible, so we may verify coverage to your mortgage holder, which they require.

If you have any questions, please don't hesitate to give me a call. I look forward to being of service to you.

Respectfully,

[Handwritten signature of John Kisbac]
